

Disclosure Policy

All faculty, staff and planning committee members participating in continuing medical education programs provided by PreGameCME and AAEM are expected to disclose to the audience any real or apparent conflicts of interest to the content of their presentations. AAEM's Education Committee and ACCME Subcommittee have established procedures to resolve conflict of interest.

Target Audience

The target audience includes local, regional and national pediatricians, emergency medicine, urgent care and family medicine physicians, extenders, residents, fellows, and students in training.

Methods of Instruction

The following educational format has been selected as appropriate for the setting, objectives, and desired results of the activity: Lecture with interactive questions and answers, case presentation and discussion, and problem-solving.

ACGME Competency Index

To contribute to the development of participants as lifelong learners and enhance the effectiveness of the CME activities it provides, PreGameCME and AAEM use the competencies defined by the Accreditation Council for Graduate Medical Education (ACGME) to guide its educational programming decisions. The competencies selected for this activity:

- Patient Care
- Medical Knowledge
- Practice-Based Learning and Improvement
- Evidence-Based Practice

Photography and Video Recording

PreGame CME reserves the exclusive right to photograph and/or video and/or audio record these sessions. Any and all recording by participants is prohibited.

By their attendance, participants in this event grant PreGameCME permission to copyright, publish, and use in all forms and media and manners for advertising, trade and promotion.
